

Remote Pit Schematic

- All pit support vehicles must remain behind the yellow flags.
- Only banded pit crew members are allowed into the Remote Pits. **No one under the age of 14!**
- All crew members must wear Hi-Vis Fluorescent vests or shirts.
- Absorbent fuel containment must be used when fueling.
- Race vehicles must be 100' off the race course when pitting. The yellow flags are placed 120' off the race course leaving a 20' Hot Pit area in front of the pit support vehicles.
